

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

A CHRISTMAS GIFT FOR BIRD LOVERS

Tell us to whom you wish us to send BIRD-LORE for you during 1905, and we will forward a Christmas Card giving your name as donor, a beautiful, nearly life-size drawing of the Northern Shrike, by Ernest Seton Thompson, and a free copy of our December, 1904, issue containing two colored plates.

All these will go in time to be received, with your greetings, on Christmas Day and BIRD-LORE will follow, as published, throughout the year. A valuable present, easy made.

\$1 a year; for Christmas 5 subscriptions for \$4,
3 subscriptions for \$2.50

BULLETIN

OF THE

Michigan Ornithological Club

Alexander W. Blain, Jr., Editor

J. Claire Wood and Walter B. Barrows, Associates

Beginning with 1905 the BULLETIN enters upon its sixth volume and will be of more interest than ever to the bird student. The many contributions will be enriched by original photographs of birds their nests and eggs. The BULLETIN is devoted to the ornithology of the Great Lake Region and the present volume will contain many notes on the birds of the St. Clair Flats and other points of interest in this territory. If you are interested in birds you should read the BULLETIN.

Subscription, 50 Cents per Year
Sample Copy, 15 Cents
